

## TESTIMONY ABOUT PASTOR EBENEZER AMARTEY AHUAKESE BY ELDER RANSFORD NANA ADDO JNR .

I was out the country when I learnt that PIWC Dansoman had gotten a new pastor after Pastor Tawiah Narh was transferred. I was curious to meet him and what he was going to bring in terms of both spiritual and physical growth of the church.

Interestingly when I returned, I kept a low-key distance and observed his personality before approaching. Then I had the shock of my life. With broad smiles, he walked to me one day, mentioned my name and asked me about how I was coping with job as a Security Professional. He promised to visit me at home and laughed in my head because my residence was very far the church with interchange constructions on the road. Once again, he surprised me by coming on a rainy day with his Wife and last daughter Maku. They spent quality time with us and prayed for the family before leaving. He didn't wait for me to come to him, he came to me first. This had an impact on me and we became close. He has never called me by name since then. He calls me brother.

He gave me several challenges and opportunities to contribute to the growth of the church and the body of Christ. He called me into the office of an Elder when I felt inadequate. He challenged me to serve as the Church Protocol and Security Officer. Finally, to serve as the District Youth Leader. I have had the privilege of being under Pastor Ebenezer Ahuakese 's leadership for over 4years and I've witnessed firsthand their unwavering dedication to spreading God's love and wisdom.

Pastor's humility is something that drew me close to him. He gave out his office for the Church Security Team for over two years without complaining.

The first time he gave me the opportunity to preach he had travelled with his wife that Sunday. An hour after service I saw over seven missed calls from him which got me tensed up. When I called back he was full of excitement and congratulated me for allowing God to speak through me. Not knowing he was watching with his wife online. He asked me for my preaching note so he could learn from it. I felt he was

joking till he kept following up. Imagine a Pastor his caliber saying he needed my sermon notes to learn from. I was humbled.

Pastor was kind to the needy and vulnerable to the extent that I sometimes felt people would take advantage of him.

He has a can-do spirit and always guided with optimism. There was a project which from estimation was costly and was not sure of the source of funding. He told me to proceed after listening to the idea. Eventually , we got it done .

The mission house was always quick to express appreciation n for the little gifts we sent occasionally.

His sermons are always insightful, inspiring, and relevant to our daily lives. Pastor and Osofo Maame Becky have shown us compassion, empathy, and willingness to listen and guide us through life's challenges.

Pastor and Mama Becky have been a constant source of encouragement and support, and I've seen them make a significant difference in the lives of countless individuals and families including me. I'm grateful to call them my pastor and feel blessed to be part of their flock."

I want to express my heartfelt gratitude for your dedication, guidance, and support. Your selflessness and compassion are a testament to your faith and commitment to serving others. Thank you for being an exceptional spiritual leader. May God continue to bless and guide you. Thank you!"
